

Headphone amplifier

3X 32KB EEPROMs

0R resistors connecting 3V3 power to chip and I²C to bus

Power LED

Propeller Pin P0 to P15 connecting to ATLAS bus row A or C via 0-Ohm resistors

Propeller chip

I²C pins to ATLAS

DIN 41612 96pin connector to ATLAS bus

USB Programming Input

Keyboard connector

Mouse connector

System clock crystal

VGA output connector

Optional TV output
